IFRL-PAC ENDORSEMENTS

Our mission is to help those who want their vote to protect the unborn, the disabled and the elderly. Those endangered innocent lives that are being threatened need men and women in government who respect all human life.

Our intent is to elect men and women of all political parties who will speak for and vote for legislation to protect the first and most important right for all of us - our right to life.

When more than one pro-life candidate seeks the same office, IFRL PAC always endorses the pro-life incumbent. There are a few candidates who we recommend over the opponent.

Some Candidates are Recommended this means that the candidate is pro-life but not endorsed.

Candidate Surveys for all candidates that returned surveys are on record at the IFRL office.

If you wish to inquire as to your candidate's positions on the pro-life issues, please call (217) 544-9700 and we will be glad to provide this to you.

Early Voting Begins October 22nd **General Voting takes place on November 6th**
